About Experience Skills Contact

Grace Moore

Student · Aspiring Product Manager

B.A. in Business Analytics & Information Systems at the University of Iowa. I enjoy finding clear solutions to complex problems and bringing people together to get things done.

ABOUT

I'm a Business Analytics and Information Systems student at the University of Iowa, on track to graduate in April 2026 with a 3.7 GPA. My coursework and work experience have sharpened my ability to organize information, communicate clearly, and lead effectively — skills I'm eager to bring to a career in product management.

Outside the classroom, I serve as a Student Leader with The Christian college ministry.

I need you to generate a professional README.md file for my project repository. I have shared my GitHub repository link / uploaded my project files above. Review the project and generate a complete README.md file using the following sections. Write the content in Markdown format so it can be displayed in GitHub. Use the actual details of my project 4 sentences describing what the project does, why it exists, and who it is for.

4. FEATURES

A bullet list of 45 bullet points describing features or improvements for a hypothetical
